

Destination Address	Address Mask	Next-Hop Address	Interface Number
192.5.48.0	255.255.255.0	128.210.30.5	2
128.10.0.0	255.255.0.0	128.210.141.12	1
0.0.0.0	0.0.0.0	128.210.30.5	2

Figure 5.6 An example IP routing table with three entries. The last two fields in each entry specify the IP address of the next hop and the interface used to reach the next hop.
